Munich Security Brief “Zeitenwende for the G7”

June 24, 2022

Bibliographic data

Tobias Bunde and Sophie Eisentraut, “Zeitenwende for the G7: Insights From the Munich Security Index Special G7 Edition,” Munich: Munich Security Conference, Munich Security Brief 3, June 2022, <https://doi.org/10.47342/JDIE4364>.

P. 20, Figure 8

The reference is not included and the logos of the MSC and Kekst CNC are missing. In addition, the value “-50%” is missing on the scale titled “Cooperate with Russia economically.”

The correct source is: “Data and illustration: Kekst CNC, commissioned by the Munich Security Conference.”

The correct figure, which can be downloaded from our website at

https://securityconference.org/assets/02_Dokumente/01_Publikationen/2022/MunichSecurityBrief_G7_Figures.zip, is this one:

Figure 8

Citizens’ preferences for their country’s response to Russia, share saying that their country should oppose Russia minus share saying that their country should cooperate with Russia, May 2022, percent

What do you think your country should do in response to Russia as a military and economic power?

- Size of circles = size of population
- Survey values from November 2021

Data and illustration: Kekst CNC, commissioned by the Munich Security Conference

P. 23, Figure 10

In the chart “Sanctioning Russia,” the length of the bar representing Italy is incorrect.

The bar representing Italy should instead match the percentage indicated (= 48).

The updated figure, which can also be downloaded from our website at

https://securityconference.org/assets/02_Dokumente/01_Publikationen/2022/MunichSecurityBrief_G7_Figures.zip, is this one:

Figure 10

Citizens' views on specific policies in support of Ukraine, May 2022, percent

● Do less ● Do more

Sanctioning Russia

Increasing defence spending

Do you think your country should be doing more or less of the following in reaction to Russia's invasion of Ukraine?

Providing weapons to Ukraine

Providing heavy weapons to Ukraine

Data: Kekst CNC, commissioned by the Munich Security Conference.
Illustration: Munich Security Conference

P. 27, Figure 13

The reference is not included and the logos of the MSC and Kekst CNC are missing.

The correct source is: "Data and illustration: Kekst CNC, commissioned by the Munich Security Conference."

The correct figure, which can be downloaded from our website at

https://securityconference.org/assets/02_Dokumente/01_Publikationen/2022/MunichSecurityBrief_G7_Figures.zip, is this one:

Figure 13

Citizens' preferences for their country's response to the rise of China, share saying that their country should oppose China minus share saying that their country should cooperate with China, May 2022, percent

What do you think your country should do in response to the rise of China as a military and economic power?

- Size of circles = size of population
- Survey values from November 2021

Data and illustration: Kekst CNC, commissioned by the Munich Security Conference
